Star
Pipes & Fittings

COMPANY PROFILE

(A Perfect Path Of Plumbing)

Founded in the year 2018 star pipes and fittings an organization which has been continuously excelling in the area of manufacturing high quality HDPE, Garden pipe, CPVC, PVC, Borewell and conduit pipes fittings. We deal with wide range of HDPE, PVC and CPVC Pipes and fittings. These pipes and fittings are well known among our clients due to their precise design, crack resistance, dimensional, accuracy excellent strength, durability and easy installation. As per the Nepal standard and ASTM we provide these pipes and fittings to several specifications besides our valued customers can avail these pipes and fittings from us in large quantity within promised time frame at most reasonable Prices.

The assorted range of the products that we provide empowers us to extend our trail and solidity our attendance over various industrial segments. The dedicated work force and the highly unconventional manufacturing Facilities have helped us to perform our action as per latest industrial standards. We deal only with the trusted vendors of the market so that no compromise is made on the quality aspect of the product. furthermost our business ethics and wide distribution network has helped us to gain huge client base in the market. We utilize the skilled pool of expertise that mainly focuses on delivering best quality products to the customers.

APPLICATION OF HDPE PIPE

- ★ Water Supply.
- ★ Gas Distribution.
- ★ Sewage and Drainage Systems.
- ★ Industrial Process.
- ★ Irrigation Systems.
- ★ House & Industrial wiring.

APPLICATION

cPVC pipes and fitting is a safe, long lasting and cost effective solution for hot and cold water supply in residential, commercial and public projects, high and low rise buildings, corporate houses & academic institutes and gas & solar heater application.

FEATURES

- ◆ Smooth continuous flow of water due to smooth inner surface
- ◆ Low Thermal Expansion & Conductivity
- ◆ Light weight & Long Service Life
- ◆ Easy to Handle & Installation
- ◆ Flame & Smoke Resistant
- ◆ Chemical Resistant
- ◆ Resilient & longer lasting
- ◆ Most cost effective
- ◆ Service temperature up to 93°C.

COLOUR

- ◆ Ivory
